S - Special or critical User’s Instructions and/or specific use limitations apply.

Refer to User’s Instructions before donning.

**Fitting Instructions:**

**Step 1**
Hold respirator in your hand as shown, with the nosepiece at your fingertips and the headbands hanging freely below your hand.

**Step 2**
Place respirator under your chin with the nosepiece up. Pull the top headband to top back of head.

**Step 3**
Pull the bottom headband overhead and place around neck below ears.

**Step 4**
Adjust headbands for comfortable fit. Push the nosepiece inward with your fingertips to conform to the shape of your nose.

**Caution:** Filtering face pieces are to be inspected to each use assures there are no holes in the breathing zone other than the punctures around staples and no damage has occurred. Expanded holes resulting from ripped or torn filter material around staples are considered damage.

**Limited Warranty**

**Important Notice to Purchaser:**

This limited warranty is made in lieu of the warranties of merchantability, fitness for particular purposes and all other warranties, express or implied. There are no other warranties which extend beyond the description on the face hereof. The physical standards and specifications on NIPPON PAPER CRECIA LTD. will be met by products sold.

Exclusive Remedies: damages for the breach of this limited warranty are limited to the replacement of such quantity of NIPPON PAPER CRECIA LTD. products proved to be defectively manufactured. Except as provided above, NIPPON PAPER CRECIA LTD. shall not be liable or responsible for any loss, damage, or liability, direct, indirect, incidental, special, or consequential, arising out of sale, use, or misuse, or the inability to use products by the user.

**Warnings:**

1. Wearer must read filtering instructions and use limitations and inspect the straps before use. If there are any cracks around or in the welded area, then the mask is considered damaged and should be discarded.

2. This respirator does not protect against the risk of contracting disease or infection.

3. Before use, must be fit tested either quantitatively or qualitatively by a qualified fit tester before using the respirator in a contaminated environment, as per the OSHA guidelines, 1910.134.

S - Special or critical User’s Instructions: The model NPC001 & NPC001V filtering face piece respirator has been manufactured by Approval Holder Makrite Industries Inc. for Kimberly-Clark Corporation.
